

## i-tec USB-C HDMI and USB Adapter + Power Delivery

i-tec USB 3.1 Type-C HDMI and USB Adapter with Power Delivery function, 1x HDMI 4K Ultra HD 3840x2160 px, 1x USB 3.0 port for connecting USB 3.1/3.0/2.0 devices to the new USB Type-C connector, 1x USB Type-C Power Delivery port

### PRODUCT DESCRIPTION

The ADVANCE Series is the highest level of i-tec accessories bringing you cutting edge technology products with a modern design and exclusive packaging.

This adapter expands your laptop, tablet, PC or smartphone, which features the new USB Type-C connector, with the HDMI port and standard USB port. It has 1x HDMI port for connecting an HDMI monitor with 4K Ultra HD resolution up to 3840 x 2160 px, 1x USB 3.0 port for connecting your current USB 3.1/3.0/2.0 devices and high-speed data transmission (5 Gbps) and 1x USB Type-C Power Delivery port for charging laptops, tablets or smartphones with support for Power Delivery. To this port you can connect an original or a universal AC power adapter with USB Type-C connector, it ensures the constant charging of your notebook, tablet or smartphone during usage.

The adapter is compatible with Apple MacBook 2015, Chromebook Pixel 2015, and other devices with the USB Type-C connector. The new USB Type-C connector has many advantages, it is smaller, symmetrical and allows the easy connection because you can rotate the connector either way. You will appreciate the compact size and light weight of the adapter, especially during travels. The drivers are automatically installed from the system when you first connect.

Please make sure to check a compatibility of your device, whether it meets all the requirements for an operation of the specific i-tec product, especially video output (Display Port Alt mode), and/or Power Delivery. If your device would not be fully compatible, your new i-tec product may not operate correctly. You may find the specifications your device (i.e. USB port), in a user manual supplied with your notebook/tablet/smartphone, or - alternatively - via customer service provided by a manufacturer of your device. If still uncertain, however, contact our service at [support@itecproduct.com](mailto:support@itecproduct.com).

Long product description: i-tec USB 3.1 Type-C HDMI and USB Adapter with Power Delivery function, 1x HDMI 4K Ultra HD 3840x2160 px, 1x USB 3.0 port for connecting USB 3.1/3.0/2.0 devices to the new USB Type-C connector, 1x USB Type-C Power Delivery port

## PRODUCT FEATURES

- 1x integrated USB-C cable for connecting to the host device (20 cm)
- Power Delivery: 60 W
- Video port:
  - 1x HDMI
- Supported Resolutions:
  - 1 monitor – 1x HDMI → up to 4K/30Hz
- 1x USB-C port PD (power delivery only)
- 1x USB 3.0 port
- OS: Windows 10, macOS X, Android, Chrome OS Google with the latest updates
- Product Dimensions: 62 x 48 x 14 mm
- Product Weight: 46 g
- Package Dimensions: 146 x 90 x 29 mm
- Package Weight: 85 g

## SYSTEM REQUIREMENTS

### Hardware requirements:

- Device with an available USB-C or Thunderbolt™ 3 port
