Ethernet, 3x USB 3.0 ports, 1x USB-C  
port, 1x USB-C Power Delivery port,  
Compatible with Thunderbolt 3, 30 cm  
Cable

### PRODUCT DESCRIPTION

Connect your favourite accessories to your laptop, tablet, PC or smartphone equipped with the new USB-C or Thunderbolt 3 interface.

Extend your desktop with an external HDMI monitor or connect a projector or TV using the HDMI interface. The docking station supports Ultra HD 4K video transfer with a resolution of up to 3840x2160@30Hz including an audio signal.

Connect the docking station with a single cable (30 cm) into your computer's USB-C or Thunderbolt 3 port and you can start using it immediately. The driver is installed automatically from the system. We've designed the docking station to be used as an ergonomic support for your laptop or tablet.

This docking station is suitable for use with all laptops and other devices equipped with the USB-C connector with video transmission support (USB-C DisplayPort Alt mode). In case of incompatibility, your new i-tec product may not work properly. For details regarding your device's USB port specifications, please refer to your laptop / tablet / smartphone manual or contact your device manufacturer's customer support. However, even if you are not sure that your device is fully compatible after verification, please contact our technical department by writing an email to [support@itecproduct.com](mailto:support@itecproduct.com).

Long product description: i-tec USB-C Low Profile Docking Station, 1x HDMI 4K Ultra HD 3840 x 2016 @ 30 Hz, 1x SD Card Reader, 1x GLAN Ethernet, 3x USB 3.0 ports, 1x USB-C port, 1x USB-C Power Delivery port, Compatible with Thunderbolt 3, 30 cm Cable
