

i-tec USB-C Metal HUB 4 Port

PRODUCT DESCRIPTION

Is your latest notebook, tablet or smartphone equipped with a single USB-C, USB4 or Thunderbolt port and you want to use common USB peripherals? Are you forced to constantly plug and unplug your favorite USB devices due to the lack of USB ports? With this HUB you get another 4 standard USB-A ports. Connect your external keyboard and mouse, transfer data or movies from a USB flash drive at speeds up to 5 Gbps or charge your mobile devices.

This HUB does not require the installation of drivers. You will just connect it with the USB-C cable and immediately you can start using it. This HUB has a built-in overcurrent protection of your computer in case of short connection on the peripherals. The interface is compatible with USB 2.0. Thanks to its compact dimensions and low weight you can carry in your bag everywhere.
