

## i-tec USB-C Metal HUB + Gigabit Ethernet Adapter

i-tec USB-C Metal HUB with Gigabit Ethernet Adapter, 1x USB-C to RJ-45, 10/100/1000 Mbps, 1x USB 3.0 Port, for laptop, tablet, PC with USB-C connector, compatible with Thunderbolt 3, Windows Mac Linux Android

### PRODUCT DESCRIPTION

Combination of passive USB HUB with Gigabit Ethernet adapter, for easy and fast connection of your favorite USB peripherals to your laptop, tablet, PC with new USB-C or Thunderbolt 3 interface, and for fast network and Internet access with Gigabit Ethernet connection. The HUB offers one USB 3.0 port with the Plug & Play function and standard USB charging – it will automatically detect connected equipment for USB charging. The USB 3.0 interface is important mainly for data transfers from USB 3.0 memory cards and flash disks which will use its high transfer speed most. The Gigabit Ethernet port allows you easy access to 10/100/1000 Mbps network. You can enjoy high speed internet access without any interruption.

This HUB is powered from the USB bus and it has a built in overcurrent protection of your computer in case of short connection on the peripherals. It supports a wide range of operating systems from Windows and Mac OS to Linux. Ethernet network connection can also be used in the Android system. However, the support of this function must be included by the manufacturer directly in the particular Android device. You can easily check this support in Network Connection Settings → Other Networks, which must include Ethernet.

The HUB is suitable for use with MacBook Pro 2016, MacBook 2015, Chromebook Pixel 2015, Acer Switch Alpha 12, Dell XPS 13, HP EliteBook Folio G1, ASUS UX390UAK and other devices with the USB-C connector. The USB-C connector has many advantages, it is smaller, symmetrical and allows easy connection, because now you don't have to worry about the rotation of the connector.

**In case there are any problems with the installation, technical difficulties or incorrect function of the equipment, please check first for the possible solution in detailed manual or in the FAQ tab.**

### PRODUCT FEATURES

- Combination of passive USB HUB with Gigabit Ethernet adapter, for easy and fast connection of your favorite USB peripherals to your laptop, tablet, PC with new USB-C or Thunderbolt; 3 interface, and for fast network and Internet access with Gigabit Ethernet connection
- 1x USB-C 3.1 connector, for connecting to a laptop, tablet or PC
- Fast network and Internet access with Gigabit Ethernet connection, 1x Ethernet GLAN RJ-45 port supports 10/100/1000 Mbps speeds
- 1x USB 3.0 port for connecting the USB equipment and high speed data transfer (5 Gbps)
- Supports Wake-on-LAN and Plug & Play function
- Via VL813 Chipset – USB 3.0 HUB
- Realtek RTL8153 Chipset – USB 3.0 to Gigabit Ethernet – supports standard IEEE 802.3, IEEE 802.3u,

- IEEE 802.3ab and IEEE 802.3az (Energy Efficient Ethernet)
- Powered through USB-C bus, no power adapter is needed
- OS: Windows 7/8/8.1/10, Mac OS X, Linux, Android 6 and higher, Chrome R51 and higher
- Product dimensions: 65 x 50 x 15 mm
- Product weight: 39 g
- Packaging dimensions: 180 x 100 x 20 mm
- Packaging weight: 93 g

## SYSTEM REQUIREMENTS

Hardware requirements: laptop, tablet, PC with free USB-C or Thunderbolt; 3 Operation system: Windows 7/8/8.1/10, Mac OS X, Linux, Android 6 and higher, Chrome R51 and higher

## PACKAGE CONTENTS

- i-tec USB-C Adapter with cable (70 mm)
- Quick Start

## SPECIFICATION

Part Number	Product Description & EAN
C31METALANHUB	i-tec USB-C Metal HUB + Gigabit Ethernet Adapter EAN: 8595611702273
<b>Hardware</b>	
Bus type	USB-C, Thunderbolt-3
<b>Ports/Connectors</b>	
USB 3.0 TYPE A	1
LAN RJ-45	1
<b>System Requirements</b>	
Hardware	Hardware requirements: laptop, tablet, PC with free USB-C or Thunderbolt; 3
Operating system	Windows 7/8/8.1/10 (32/64 bit) Mac OS X Chrome OS Linux Ubuntu 14.04/16.04 Android 5 Android 6, 7, 8 Windows 10 - Automatic installation of OS drivers. Other operating systems - manual driver installation. Firmware updates automatically.
<b>Other features</b>	
Colour	Space Gray
Housing Material	Aluminium
Product Dimensions	65 x 50 x 15 mm
Product Weight	39 g
Package Weight	93 g
Packaging Dimensions (LxWxH)	180 x 100 x 20 mm
<b>Support</b>	

Warranty period	2 years
Technical support	lifetime
<b>Package contents</b>	
i-tec USB-C Adapter with cable (70 mm)	
Quick Start
