

i-tec USB-C Metal Pad Docking Station 4K HDMI LAN + Power Delivery 100 W

i-tec USB-C Metal Pad Docking Station 4K
HDMI LAN + Power Delivery 100 W

PRODUCT DESCRIPTION

A small and portable metal docking station designed as an accessory for the metal stand with product code [C31METALPAD](#). The docking station is lightweight, durable and can serve as a mobile accessory for business trips when needed and when detached from the stand. The docking station is equipped with an HDMI port, 3 USB ports (2x USB-A and one universal USB-C port that can both transfer data and charge the docking station and your laptop), Gigabit LAN adapter, combined audio/mic port and also SD/microSD slots, which will be especially pleasing for photo and video lovers. The dock comes with a 100cm USB-C cable, allowing you to easily and conveniently connect it to your laptop, no matter which side of the laptop the USB-C/Thunderbolt" port is located on.

- Connect an external monitor at resolutions up to 4K/30Hz or FHD/120Hz
- HDMI port available
- Power delivery: up to 100W
- 2x USB 3.0 and 1x USB-C with support for charging or data transfer, let you easily connect your USB devices and peripherals. All USB ports support speeds up to 5 Gbps.
- Gigabit Ethernet RJ-45 provides a reliable, robust and high-speed Internet connection with support for 10/100/1000 Mbps speeds
- Combination audio and microphone jack on the front panel
- Supports Windows 10/11, macOS, ChromeOS, iPadOS, Android and Linux
- Includes a 100cm USB-C cable
