

## i-tec Car Charger 1x USB-C PD 30 W, 1x USB QC 3.0

i-tec Car Charger 1x USB-C PD 30 W, 1x USB QC 3.0

### PRODUCT DESCRIPTION

Adapter for charging your mobile devices in the car, caravan and anywhere you have access to a cigarette lighter (CL) socket. Its USB port with Quick Charge 3.0 support is designed for quick and efficient charging of mobile devices requiring high charging current (to make full use of the benefits of Quick Charge 3.0, the connected devices must support Qualcomm technology, as found on selected Samsung, HTC, Sony, LG, Xiaomi and other phones). However, the adapter can also quickly charge devices that do not have native Quick Charge support, such as Apple iPhone or iPad.

The USB-C port is capable of supplying devices with up to 30 W of input power, which is enough for (sufficient, though slower) charging of laptops and tablets with rated USB-C Power Delivery input of 45 W or even 60 W. (However, when using both ports, the supply current will split to 15 W for each port. If you want to power a laptop, for instance, it is not recommended to connect another device to the USB-A port).

Overcurrent protection and stable supply current ensure safe use without risk of damaging the connected device.

### PRODUCT FEATURES

- Input: DC 12-24 V
- Output: max. 30 W
- USB-C PD 3.0 output voltage: DC 5-20 V (automatic detection)
- USB-C PD 3.0 output current: max. 3 A
- USB-C QC 4.0 output voltage: 4.5-12 V (automatic detection)
- USB-C QC 4.0 output current: max. 5 A
- Quick Charge 3.0 output voltage: DC 3.6-12 V (automatic detection)
- Quick Charge 3.0 output current: max. 3 A
- Protection against: current overload, overvoltage, short circuit and overheating
- No-load consumption:  $\leq 0.5$  W
- Operating temperature: 0°C - 35°C
- Product dimensions: 47 x 25 x 25 mm
- Product weight: 18 g

- Package dimensions: 160 x 125 x 55 mm
- Package weight: 38 g

## SPECIFICATION

Part Number	Product Description & EAN
CHARGER-CARQCPD	i-tec Car Charger 1x USB-C PD 30 W, 1x USB QC 3.0 EAN: 8595611703379
<b>Hardware</b>	
Bus type	-
<b>Ports/Connectors</b>	
<b>System Requirements</b>	
Operating system	Windows 10 - Automatic installation of OS drivers. Other operating systems - manual driver installation. Firmware updates automatically.
<b>Other features</b>	
Colour	grey
Housing Material	Metal
Product Dimensions	47 x 25 x 25 mm
Product Weight	18 g
Package Weight	38 g
Packaging Dimensions (LxWxH)	160 x 125 x 55 mm
<b>Support</b>	
Warranty period	2 years
Technical support	lifetime
<b>Package contents</b>	
Car Charger QC and USB-C PD 30W	
Instruction manual
