

i-tec USB 2.0 Slim Passive HUB 4 Port

i-tec USB 2.0 Slim passive HUB 4-port without power adapter, for laptop, ultrabook, tablet, PC, Windows and Mac OS

PRODUCT DESCRIPTION

Are you forced to constantly plug and unplug your favorite USB devices due to the lack of USB ports? With this HUB you get 4 standard USB 2.0 ports. Connect your external keyboard and mouse, transfer data from a USB flash drive or charge your mobile devices.

This HUB does not require installation of drivers. You will just connect it by the USB cable and immediately you can start using it. This HUB has a built in overcurrent protection of your computer in case of short connection on the peripherals. The interface is compatible with USB 3.0. Thanks to its compact dimensions and low weight you can carry in your bag everywhere.

In case there are any problems with the installation, technical difficulties or incorrect function of the equipment, please check first for the possible solution in detailed manual or in the FAQ tab.
