

i-tec USB-A Slim HUB 3 Port + Gigabit Ethernet Adapter

PRODUCT DESCRIPTION

The ADVANCE Series is the highest level of i-tec accessories bringing you the cutting edge technologies of products with a modern design and exclusive packaging.

Combination of passive USB-A HUB with Gigabit Ethernet adapter, for easy and fast connection of your favorite USB peripherals to your notebook, tablet or PC using a single USB cable, and for fast network and Internet access with Gigabit Ethernet connection. Thanks to its compact dimensions and low weight it is an ideal accessory when traveling.

It offers three USB-A ports with the Plug & Play function and standard USB charging – the HUB will automatically detect connected equipment for USB charging. The USB 3.2 Gen 1 interface is important mainly for data transfers from USB-A memory cards and flash disks which will use its high transfer speed most. This HUB is powered from the USB bus and it has a built-in overcurrent protection of your computer in case of short connection on the peripherals. The interface is compatible with USB 2.0.

The Gigabit Ethernet port allows fast network and Internet access with Gigabit Ethernet connection. You no need to purchase an extra Gigabit network card and share a PCI/PCIe or Express/CardBus slot. With compliance with USB-A specification, this adapter ensures true 10/100/1000 Mbps network speed without any compromise. The network connection can also be used in the Android system. However, the support of this function must be included by the manufacturer directly in the particular Android device. You can easily check this support in Network Connection Settings → Other Networks, which must include Ethernet.

PRODUCT FEATURES

- 1x integrated USB-A 3.2 Gen 1 cable for connecting to the host device (16 cm)
- 3x USB-A 3.2 Gen 1 (5 Gbps) port
- 1x Ethernet GLAN RJ-45 port (ASIX AX88179)
- LED indicator
- OS: Windows 10 / 11, macOS , Android , iPadOS , ChromeOS, Linux
- Product dimensions: 123 x 29 x 19 mm
- Product weight: 50 g
- Package dimensions: 220 x 153 x 32 mm
- Package weight: 105 g

Hardware Requirements:

- Device with an available USB-A, USB-C, USB4 or Thunderbolt™3/4/5 port

Operating System

- Windows 10 / 11, macOS , Android , iPadOS , ChromeOS, Linux

SPECIFICATION

PART NUMBER	PRODUCT DESCRIPTION & EAN
U3GL3SLIM	i-tec USB-A Slim HUB 3 Port + Gigabit Ethernet Adapter EAN: 8595611701146
System Requirements	
Operating system	Windows 10/11 macOS X Android Linux Chrome OS R51 or later Windows 10 - Automatic installation of OS drivers. Other operating systems - manual driver installation. Firmware updates automatically.
Other features	
Product Dimensions	123 x 29 x 19 mm
Product Weight	50 g
Packaging Dimensions (LxWxH)	220 x 153 x 32 mm
Package Weight	105 g

Support

Warranty period	2 years
Technical support	Lifetime
